

**MARQUETTE UNIVERSITY**  
**Department of Civil and Environmental Engineering**  
**CEEN 189 - Civil Engineering Design**

**Individual Effort Statement**  
**Due May 2, 2008**

1. Individual effort statements should be prepared to include information regarding:
  - a. The tasks and deadlines that were assigned to you during the semester.
  - b. Your successes and failures with respect to these tasks/deadlines, along with the reason for failures.
  - c. The ratio of the amount of time you spent on project activities as compared to the total time the team spent to complete the project.
  - d. Any additional information that you feel pertinent.
2. Team members must sign your effort statement indicating agreement with your assessment.
3. Effort statements are to be handed in with your final report.
4. Individual performance will be assessed through peer evaluations, effort statements, and your mentor's knowledge of your performance.
