

CE-043 Laboratory Grading

Your overall laboratory grade will be based on a 100 point scale. Everyone starts off with a perfect 100 and may or may not lose points as follows:

- Participation- 10% This is the easiest 10 % you will ever earn. If you *actively* participate in the assigned experiments, you get the 10%
- Quizzes- 5% You will be given unannounced quizzes that will test your knowledge of what you were supposed to have read **BEFORE** coming to lab
- Homework and Reports- 85% Homework is due at the beginning of the lab session following the session in which it was assigned (unless specifically stated otherwise). **LATE HOMEWORK WILL RECEIVE A GRADE OF ZERO.**
Formal, typed reports will be assigned throughout the semester. Late reports will receive a 10% deduction for each day late, up to a maximum deduction of 50 %.
Team reports may also be assigned and will require a Team Evaluation Form to be handed in by each team member. Evaluation forms may be found at:
